Add sculpt and structure to her mane with **Tea Tree Firm Hold Gel** from **Paul Mitchell**. Use the bold-hold gel to slick it, spike it or piece it while banishing buildup with the gentle-cleansing power of tea tree oil.

Catch a calming wave with **Paul Brown Hawaii Hapuna Anti Frizz Silk Shampoo** and **Silky Reconstructor**.

Vegetable-derived cleansing agents mix with moisture-infusing sunflower and aloe vera extracts in the shampoo, while hydrolyzed wheat protein gives frizz the boot in Reconstructor.

Diamonds are a girl's—and her hair's—best friend, thanks to the 12-product **Semi di**

Lino Diamante line from **Alfaparf Milano**, which is infused with genuine diamond powder to boost brilliance. **Illuminating Shampoo** and **Illuminating Conditioner** help maximize shine with linseed extract and protect with an antioxidant blend.

Are dull locks weighing her down? Render hair smooth and shiny as silk with **ProSilk Shampoo** and **Conditioner**, a cleansing and moisturizing duo that revitalizes and protects with a combo of vitamins, botanicals and sunscreen.

She doesn't need a couch for serious treatment. The **Nioxin Intensive Therapy** line introduces two new shampoos to its healing arsenal:

Clarifying Cleanser

boasts the Demineralizing Complex, a system that neutralizes and removes mineral buildup on the hair and scalp; and **Clean Control Cleanser** moisturizes and conditions with hydrolyzed keratin.

Styling tools turning up the heat? Cool off with **Redken Extreme Iron Repair**. When activated by heat, xylose sugar, which links with proteins to strengthen hair fibers, fuses with the exclusive Interbond Conditioning System and 3D Repair Complex to reinforce hair structure.
