The Body Puff adds radiant shimmer to skin; Cinnamon Spice Extreme Shine lipgloss has a kissable cinnamon flavor; Muse Mineral Blush lends a chic windswept look; and the Shadow Trio leaves lids looking coppery.

Who says you can't look sun-kissed during the winter months? **Bodyography Hot Holiday Hues** warm up skin with bronze Mineral Body Gloss and Oxyplex Pearlescent Eye Colours in sparkling Lumiere and Chocolaty Brun.

The **Sormé Star Attraction Promotion** combines the glitter power of Shimmer Glow face and body powder; the glamour quotient of Smearproof Eyeliner and water-resistant Ultra Lash Lengthening Mascara; and the plumping oomph of Lip Thick Gloss.

Sparkle plenty with **Colorlab Holiday Metallic Princess Collection**. Eyes dazzle with opal Moonbeam, russet Gilded Bronze and twinkling Peacock eye shadows; cheeks look luminescent in gold-dusted Pink Diamond; and lips beguile done up in rich Cinderella or Plum Dazzle lipsticks and topped with glittering Glass Slipper lip gloss.
